

2023 IMPACT SUMMARY

Caring for kupuna, keiki and community since 1978.

“Every class is a party!”

-Alex & Lorna, Volunteer Line Dance Team

CARING FOR KUPUNA

We empower seniors to live active, meaningful lives where they both contribute to the community and receive support. We prevent decline as well as meet critical needs, including addressing food insecurity and kupuna at risk for homelessness.

- INCREASED HOLISTIC WELLNESS: 1,489 KUPUNA
- SUPPORT FOR CRITICAL NEEDS: 1,372 KUPUNA
- # HOURS SUPPORTING SENIORS IN CRITICAL SITUATIONS: 2,723

FOSTERING COMMUNITY

#StrongerTogether

We mobilize our community to make a difference. We built a coalition of individuals, churches, businesses, schools, other nonprofits, and government agencies to address critical issues.

- POUNDS OF FOOD DISTRIBUTED: 18,815

WCC closes the achievement gap. We engage keiki in quality, whole-child experiences while developing family engagement skills during this crucial period of brain development, putting our youngest learners on a path to success in school and beyond.

- # FAMILIES SERVED BY WCC PRESCHOOL: 108
- # FAMILIES ACCESSING WCC OR OTHER ASSISTANCE: 69
- 93% OF KEIKI MET DEVELOPMENTAL BENCHMARKS
- 90% OF FAMILIES ENGAGED WITH TEACHERS/SCHOOL ACTIVITIES

BOLD VISION

BUILDING COMMUNITY THROUGH INNOVATIVE INITIATIVES

Due to the rising cost of living in Hawai'i, many hard working families earn too much to qualify for state assistance, yet still struggle to make ends meet and cover the cost of preschool. To help make quality early education affordable for more families, WCC started the Thrive by 5 Affordable Preschool Initiative. We are committed to helping ensure these ALICE (Asset Limited, Income Constrained, Employed) families have access to quality early education. WCC Preschool reduced tuition by approximately 50% for qualified families.

BUILD Emergency Savings & Financial Stability

Nearly 2 of 3 working Americans can't withstand a \$500 emergency. WCC has seen many of our community members who have fallen into critical situations from one incident. Many are living paycheck- to-paycheck and are one emergency away from crisis. To help financially stabilize our community, WCC started the BUILD initiative, which provides \$1000 in matched savings over 12 months to ALICE-qualified working individuals.

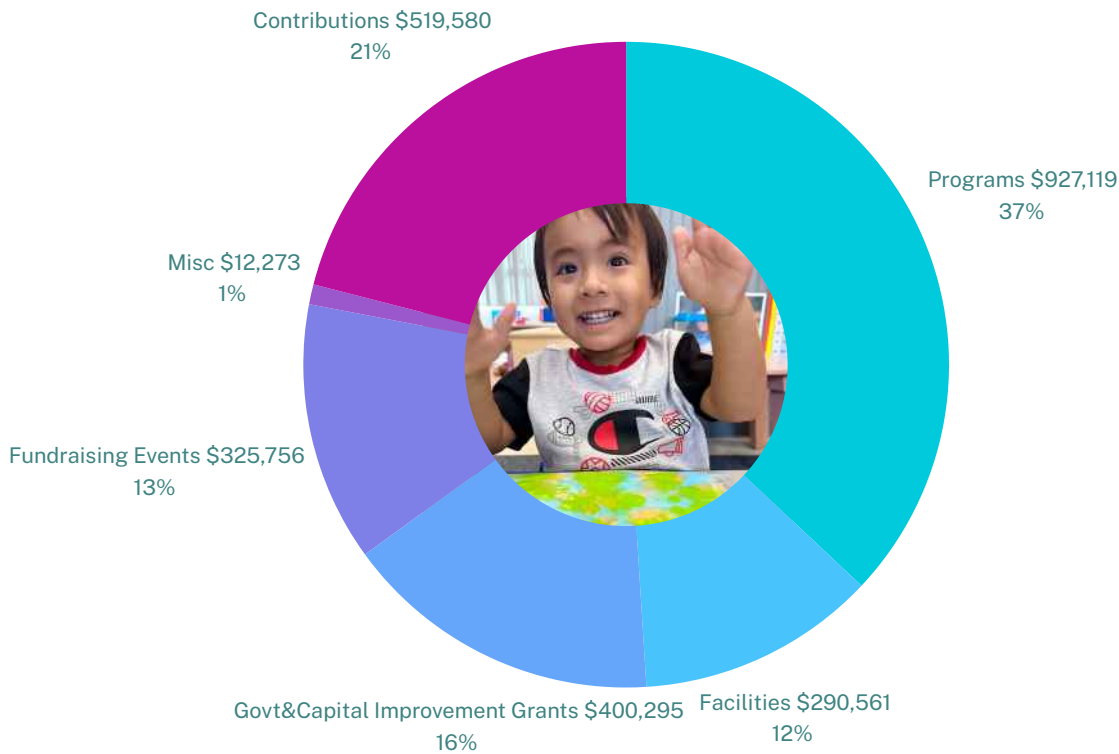

GENKI Ala Wai Project

WCC partners with the Genki Ala Wai Project to clean the waters of the Ala Wai. We hold regular genki ball making events with community members/groups that end with throwing the genki balls into the canal. It's exciting to see the water in the area becoming visibly clearer with active sealife returning.
