KITCHEN REFRESH!

STARTING 10/19

Something exciting is cooking! 🛠️🔪

Our kitchen is getting a refresh!

Big changes are coming to our kitchen area — a project that will run over the next couple of months to bring you upgrades that will serve our community for years to come.

To keep everyone safe, classes will be affected most heavily from **October 19 through November 6**, when the bulk of the demolition work takes place:

- Lanai classes will pause during this window
- Auditorium classes will either pause or move to a new location

See this month's calendar for the full details on your class, and your instructors will keep you posted as the project continues.

Thank you for your patience as we build something better for all of us!

PRIVATE TOUR

Vital Connections: Art & the Brain

Honolulu Museum of Art

We're planning a special small-group visit to the Honolulu Museum of Art for Vital Connections: Art & the Brain—an exhibition exploring the fascinating connection between art, creativity, neuroscience, and our well-being.

The exhibition looks at what happens in our brains and bodies when we experience and create art, and how engaging with the arts may support attention, memory, connection, cognitive health, and healthy aging.

Dr. Elaine Imoto, a Honolulu Museum of Art docent, has generously offered to lead a private tour especially for Waikiki Community Center members. Elaine is particularly excited about this exhibition and its focus on art as an important part of lifelong brain health.

This will be an intimate tour limited to just 6 participants and will take place on a Wednesday, Thursday, or Friday morning. We anticipate the cost will be approximately \$20 per person for Hawai'i residents with proof of ID (kama'āina).

The exact date and final details are still being worked out—but we'd like to know who is interested!

JOIN THE INTEREST LIST

Call 808-923-1802 and let us know you'd like to be contacted when we announce tour details.

Questions?

Email Mary Moran at mmoran@waikikicommunitycenter.org

Space will be very limited. Joining the interest list does not obligate you to attend—it simply makes sure you hear from us when registration opens.
